

BS Smart Result Assistant is a Chrome extension designed to help users/school exam in-charge to convert Rajasthan Board's student mark sheet data into a structured, row/line format for easier viewing and advance reporting purpose. We take your privacy seriously and are committed to being transparent about the data we collect and how it is used.

What Data We Collect

BS Smart Result Assistant **does not collect or transmit any personal or sensitive user data**. The extension operates entirely in your browser and processes data locally.

We only collect limited, non-personal usage data to improve user experience and understand how the extension is used. This includes:

- **Save Result action counts**
- **Copy action counts**
- **Bulk copy action counts**
- **Copy-Summary action counts**
- **Download Result PDF action counts**
- **Update Section action counts**
- **Migration action counts**
- **Data Inconsistency action counts**
- **Share on WhatsApp click counts**
- **Support click counts**
- **Clear Result click counts**

These usage statistics are synced to our chrome extension internal API in aggregate form (as simple counters) and do **not include any personal or identifiable information**.

Local Storage Usage

BS Smart Result Assistant uses your browser's **local storage** to temporarily save student result data when you use the "**Save Result**" feature. This information is stored locally on your device and is **never transmitted** outside your browser.

You have full control over this data:

- You can **delete stored records** at any time through the extension interface.
- All data stored locally is automatically removed when you choose to delete it manually.

How We Use the Data

The limited usage data we collect (e.g., number of actions performed) is used only for:

- Internal analytics and feature improvements
- Understanding usage patterns
- Optimizing user experience

We do **not** use this data for advertising or tracking users across websites.

Third-Party Sharing

We do **not share, sell, or rent** any data (personal or otherwise) with third parties. All usage analytics remain within our internal systems.

Your Control and Choices

- **No account or login is required** to use BS Smart Result Assistant.
 - You can delete all locally stored student data at any time.
 - You can uninstall the extension at any time.
-

Changes to This Privacy Policy

We may update this policy from time to time. Any changes will be reflected here, and we will notify users of significant updates via the extension interface.
